MARIANHILL CENTRAL CATHOLIC HIGH SCHOOL SOUTHBRIDGE, MASSACHUSETTS VOLUME 14

SMART IS WHEN YOU BELIEVE HALF OF WHAT YOU HEAR . . .

BRILLIANT IS WHEN YOU KNOW WHICH HALF TO BELIEVE.

The years have made an impression on us--- indelible and unforgettable And looking back, we amaze ourselves at how grown up we really are.

We find it wasn't bad at all
And are surprised that only good things are recalled.

Days come and go, Never staying forever; Only memories can be Held in your heart.

Friends . . . sharing in our laughter listening with silent understanding allowing us to cry accepting without judging They have given us so much more than we could ever acknowledge in gratitude and love.

Educators . . . Inspiring us to learn, daring us to question and contest They have awakened us to our strengths and potentials.

A special thanks is due to Sr. Bernadette Sweeney for her undying devotion and dedicated efforts in the publication of this Marianhill CCHS 1977-78 Yearbook.

The Senior Class of 1978 wishes to express their sincere gratitude to two very special people who have taught us to cherish each other's love and thereby enable us to grow in each other.

We wish to thank you, Mr. Gillis and Mrs. Berthiaume, for we will never forget the dedication and the love you have shown us.

In time we all
take on
new faces,
play new parts
Until no longer
are they foreign
But become
our real selves.
It is a slow
process -A painful one
In which we learn
by our mistakes
And our good

fortunes.

The crying and the complaining -the laughing and the partying
All have affected us and become a memory of another time
Special moments to be relived.

## OUTWITTED

He drew a circle
That shut me out -Heretic, rebel,
A thing to flout.
But Love and I
Had the wit to win:
We drew a circle
That took
him in!

Life is real!
Life is earnest!
And the grave
Is not its goal;
Dust thou art,
To dust return,
Was not spoken
Of the soul.
Not enjoyment,
And not sorrow,
Is our destined
End or way;
But to act,
That each
tomorrow
Find us farther
Than today.

### BACCALAUREATE MASS & BUFFET

### COMMENCEMENT NIGHT

We, the Class of 1978, have decided to keep following that path -- "that path which will lead us to the HIGHEST and TRUEST of ourselves."

. . . Future, we are ready!

Joan Canty, '78 Valedictorian

As Senior Class President, it is part of my duty to give this farewell speech. The words that I express are not only mine, but they are the feelings shared by my whole class.

We all must admit that the years spent at Marianhill have made a great impression upon us. During these years, we have watched ourselves mature and grow, we have acquired an education, and probably the most important thing to all of us is the everlasting friendships that we have formed.

In time we will take on new faces and play new parts in this world but these years of high school, that we have shared with one another, will be remembered and cherished in our hearts forever.

The main reason for having this Class Day is to let us all join together as one for the last time, and to give us the opportunity to share many of our memorable times with you.

Let us hope that we have caused some change -- that the laughing and the hassling has awakened Marianhill to a new awareness. And as we leave, we do so reassured that because of us this place has also grown.

Maryellen Dabrowski, '78
